EDUCATION

RV Institute Of Technology <i>B.S. in Information Science And Engineering (CGPA: 9)</i>	Bangalore, India <i>Current</i>
Amity International School <i>CBSE (Percentage: 88.25)</i>	Gurgaon, Haryana <i>03/2023</i>

EXPERIENCE

AI/ML Trainee <i>Class Verse</i>	03/2025 – 09/2025
– Automated Telegram bot workflows using n8n and ChatGPT to streamline user interactions and improve response times. – Developed a text-to-image platform with Lovable and Supabase for efficient data management and content generation. – Coordinated student volunteer groups and provided technical support to ensure smooth execution of community activities.	
Intern <i>Stitch Times</i>	11/2024 – 01/2025
– Designed high-fidelity mockups, logos, and infographics using digital design tools to support product marketing. – Analyzed and integrated current market trends into product graphics to improve overall brand engagement.	

PROJECTS

RescuePathFinder <i>Java, Graph Theory, BFS/DFS</i>
– Built a disaster management tool to calculate safe rescue routes using BFS/DFS algorithms in dynamic environments.
Zero Trust Network Access <i>Python, Flask, PyJWT, pyotp, geoip2</i>
– Engineered a secure cloud storage simulation featuring MFA, geolocation checks, and robust client-side encryption.
Multi-client Chat Room Application <i>Python, Socketsserver, Threading</i>
– Developed a thread-safe chat application with network auto-discovery to support high-concurrency user environments.
Style Snap <i>Flutter, Dart, Riverpod, Hive, Material 3</i>
– Architected an offline-first closet management app using Hive DB and optimized JPEG caching for performance.

TECHNICAL SKILLS

Languages: Python, C, Java, SQL
Frameworks/Tools: Flutter, Supabase, Git, Flask, Riverpod, n8n, Canva
Soft Skills: Public Speaking, Creative Problem Solving, Team Collaboration, Project Management

ACHIEVEMENTS

Research Publication: "Using OWASP Juice Shop in Cybersecurity Education" presented at ICDTE 2025.

INTERESTS

Music and Filmmaking, Strength Training, Half-Marathon Runner, Sub-30s Rubik's Cube Solver
